- **Snow Removal** As outlined in Bylaw 419/10, "A person shall clear away any snow, ice, dirt, or other obstruction within (24) *twenty-four* hours after the time of snow, ice, dirt, or other obstruction was deposited or formed on the sidewalk." **CPO officers will be enforcing this Bylaw.**
- **Electrical Cords** Also outlined in Bylaw 419/10, an electrical cord over a sidewalk must be suspended 2.5 meters above the sidewalk to ensure safe passage of pedestrians.
- **House / Business Numbers** Local fire/emergency responders are asking for your assistance in ensuring that your house/business number is clearly displayed on the exterior of your home/business on the side that corresponds with your street address. In other words, if your civic address is a "street" address, but the entry to your house/business is on the "avenue", please ensure that your address number is on both sides of your house/business to ensure that responders can quickly find your location.
