Fire Prevention Week Oct 9-15th, 2022

Today's homes burn faster than ever. You may have as little as two minutes to safely escape a home from the time the smoke alarm sounds. Your ability to get out of a home during a fire depends on early warning from a smoke alarm and advance planning.

The Fire Department encourages everyone to embrace the 2022 Fire Prevention Week theme:

“Fire won't wait, plan your escape.”

Key Home and fire escape tips:

- *Make sure your plan meets the need of all your household members*
- *Smoke alarms should be installed in every sleeping room, outside each sleeping area and each level of your home.*
- *Know at least two ways out of every room(if possible), make sure all doors and windows open easily.*
- *Have an outside meeting place a safe distance from your home where everyone should meet*

Practice your home fire drill at least twice a year, practice once during the day and once at night.
