

GARBAGE COLLECTION

POLICY GUIDANCE - Bylaw #484-20

The primary purpose of this policy is to provide guidance to Village personnel and residents about garbage collection policy and procedures.

1. Garbage collection is scheduled for every Tuesday. Any changes to schedule will be either mailed to the residents or posted in advance on the Village Bulletin Board and the Post Office.
2. Each resident is provided with a black rollout garbage bin for trash collection. Bins are to be rolled out to the front curb for collection by residents and pulled back into their yards within 24 hours of pickup.
3. Items that are **NOT** accepted in the rollout bin provided:
 - Anything that does not fit
 - Appliances
 - Batteries
 - Construction or demolition debris
 - Dead animals
 - Flammable materials or liquids
 - Hot Ashes
 - Heavy materials
 - Toxic materials such as paints and solvents
4. Yard waste pickup is available from approximately May 15th through to September 30th.
 - Waste will be picked up in the back alley only.
 - Grass clippings and leaves must be bagged & lined up along the alley.
 - Small twigs and branch clippings can be placed in a neat pile for pickup without impeding alleyway.
 - Cleanup of any branches 1 inch in diameter or larger and tree stumps is the responsibility of the homeowner.
 - Household items will not be picked up.
